THE TOP DERMATOLOGISTS FOR
THE MOST WANTED
PROCEDURES COAST TO COAST

BY BROOKE EASTBURN • PHOTOGRAPHS BY BRUNO GAGET

Need to look amazing, fast? When the solution can no longer be found in a jar, it may be time to find an expert dermatologist. To learn which docs are tops, we sought out noted doctors and had them recommend colleagues they admire. We also consulted Castle Connolly's guides, which list doctors' picks for the best practitioners. The result: our guide to dermatologists—and a few plastic surgeons who perform dermatological procedures—whose techniques set them apart from the pack.
